## Praise to Sam

by Robert Dilts,  
Founder of NLP University Santa Cruz California

"Sam is one of the most gifted people I know. Sam is one of the few people who is able to apply the process of modelling as it was intended- to find powerful models, internalize their skills and then share what he has received with others. I admire Sam's honesty, integrity and heart, which combined with his expertise, makes him an Awakener as well as a teacher."
